

Snowboard Masterclasses - Shred Like a Local

Advanced snowboard sessions that will crank up your riding style and show you some locals' favorite riding spots around the mountain. Guided by Hotham's most experienced snowboard coaches, you'll get into the parks, out on to the steeps, finding natural features in and around the trees and shredding like a local. Each session will get you riding like a boss with a different focus in each session over the week.

Session focus

Ride the banks workshop

This session will have you riding and playing off the walls of Hotham's renowned natural half-pipes

Basic spins and jibs

This session will have you stomping those 180s and ripping your butters and presses with style.

Slash the steeps

Tackle the blacks and double blacks like a boss with the guidance of our expert coaches.

Park progression and nail the rails

Perfect your 50-50s, board slides and try some new terrain park features. Progress your tricks and step up to more advanced features.

Carve it up

This session will have you riding faster and smoother with big carves down the run looking the part

All mountain freestyle

This session is geared towards using the natural mountain terrain to get air with lots of drop offs.

Rip the mountain

This session will get you riding confidently through all terrain conditions, including bumps, ice and more.

Sessions are subject to snow conditions.
