Spaciously designed, each of these apartments also features its own private balcony, heated flooring in the bathrooms and unsurpassed views.

Each of these apartments has at least one undercover car park located on the lowest level of the complex with direct indoor access up to your apartment.

Access to the main ski area for intermediate to advanced skiers is via the Davenport Access Trail conveniently located just across the road from your accommodation (snow/weather permitting). Access to the main lift is via the free village shuttle bus which stops just 20 metres from the apartment main car entry and will take you to the village centre.

Moritz 7 is a two bedroom apartment and is located on the second floor of the building. This apartment comes with a secure undercover car park, located on ground level. The apartment faces out over the Swindlers Valley ski area. The balcony provides panoramic views, taking in the entire valley.
